Truck insurance in the palm of your hand.

At 1st Guard®, we don't think the best lease operators should have to pay for everyone else. That's why better lease operators pay better rates with 1st Guard. We're the only company selling physical damage and non-trucking liability truck insurance direct, which saves you from having to pay commissions and fees. If you have a clear MVR, call **800-995-4827** or [click here](#) for an instant quote to see how much you can save.

1st Guard gives you the total package. That's why we are The Trucker's Insurance Company
